BENJAMIN and ESTHER SHERK "reprinted from an old tin-type"

This genealogy has been compiled to record the descendants of
BENJAMIN SHERK, born Feb. 16, 1796, died Dec. 19, 1873

and

ESTHER HERSHEY, born Oct. 5, 1801, died July 10, 1879
who were married at Fort Erie, Ontario, in 1820.

Benjamin Sherk lived on a farm on the west side of the Point Abino road about 1 mile from Lake Erie. His son Christian later occupied this farm and his grandson John established the Point Abino Dairy on this property. It is no longer owned by their descendants.

The father of Benjamin was Michael Sherk who came to Ontario from Lancaster County, Penna. about 1790. He settled on the east side of the Point Abino road about $\frac{1}{2}$ mile from the Lake. He had eight children besides Benjamin as shown in the Appendix of this genealogy.

Esther Hershey was the daughter of Christian Hershey of Willoughby Township. This farm was along the Niagara Parkway.

Michael Sherk's brothers Casper and Joseph also came from Lancaster Penna. to Ontario about 1790, Casper settling *N. of* Sherkston and Joseph near Kitchener. Other Sherks also moved to Ontario from Penna. at about this time or somewhat later. Some of their ancestors had come to America from Switzerland about 1730. The name has had considerable variation of spelling in America.

Philadelphia records of passenger lists of immigrant ships include, in the individuals own hand writing, the signatures of Uli Schurch and Udry Schurch who sailed on the ship *Mortonhouse* from Rotterdam and Deal and arrived in Philadelphia August 23, 1728 with about 200 other immigrants.

There were also many descendants in Lancaster County of Ulrich Sherk who was born in 1665 in Bern Switzerland, later moved to Basle and came to America with 6 sons and 2 daughters in 1729. He acquired about 2000 acres of land and one of his descendants, Alger H. Shirk, Schoneck, Penna., still owns a considerable part of this land and has the original crown deed issued many years before the USA obtained its independence from England.

As may be noted in the appendix Peter Sherk (Brother of Benjamin Sherk) had 11 sons and 4 daughters. Some of them also had large families and it is readily apparent that many people now in Ontario with the family name of Sherk are but distantly, if at all, related to the Benjamin Sherk family recorded herein.

It is evident that complete data is not available for some branches of the Benjamin Sherk family and we have used (Records na) to indicate the records are not currently available to us.

It is planned to issue the genealogy in its present form and have it available for the Benjamin Sherk reunion to be held August 20, 1966 at Brocks Monument, Ontario. It is hoped that subsequent information may be supplied possibly in the form of an annual supplement if there are enough interested relatives and volunteers.

This information has been largely compiled by Mrs Corinne (Sherk) Saha R.R.#1, Port Colborne from information related to her by her parents and relatives, from the Family Bible, numerous tombstones and cemeteries etc... Wilfrid Sherk was responsible for the editing of this genealogy. The print was taken from an old tin type (photo) of Benjamin and Esther Sherk by Dan Tait. If we have erred in recording it please send corrections (or add information) to the Secretary of the Benjamin Sherk reunion.
