Dear Louis:

We appreciated very much your generosity in loaning us the various costumes to use in our Historical Revue at our Centennial Observances. They fitted in very well and added to the Sketch.

We are enclosing ^{one} a couple of snaps of those wearing the costumes. We have a few coloured slides which we would like you to see and perhaps we could get a print made from them.

Thanks again and it was most interesting to see all your outfits. We trust that you are enjoying getting them in last minute condition for the Town Centennial.

Sincerely,

Florence Zimmerman
