Madeline Faiazza

SEPARATING FACT FROM FICTION

Fiction:

Some candidates would have you believe that Mayor Faiazza's record is less than impressive.

Fact:

Succeeded in her promise to keep the racetrack open and secured many jobs in doing so.

Succeeded in retaining the ward system that council had previously voted against thus maintaining better representation for our community's needs.

Succeeded in sensitive personal issue of family sponsored floral tributes at gravesites.

Instrumental in bringing 12" water pipe to Stevensville; downtown renovation, the completion of Bay Beach Sewage, and community social improvements.

Fiction:

Some candidates would have you believe that Mayor Faiazza has some sort of unorthodox closed door policy.

Fact:

The fact remains Mayor Faiazza has been probably the most accessible Mayor in Fort Erie's history. As far as closed meetings are concerned only in the case of personnel, negotiations, and litigation are meetings closed and this has been a practise carried on from administrations past.

Fiction:

Some candidates have suggested that Mayor Faiazza has not practiced the fiscal restraint that she promised last campaign.

Fact:

*The fact of the matter is that Mayor Faiazza voted **against** the town budget because of the additional hirings.*

*The fact of the matter is that Mayor Faiazza voted **against** the regional budget and increases in water rates because she deemed them totally unnecessary.*

Madeline ensured \$150,000 saving to town by the Region breaking precedent in allowing the town to use Native Fill in the Stevensville sewer project.

Fiction:

A mayoral candidates' word is as good as gold.

Fact:

The fact is Fort Erie needs a mayor that gets the facts straight, Fort Erie needs Madeline Faiazza the only logical choice, for mayor.
