II Elizabeth BENNER

Daughter of Phillip & Elizabeth BENNER

Elizabeth, her mother's namesake, was more often called Betsy. She married Peter ANGER and, by so doing, linked the BENNERS with another Loyalist family who pioneered in the settling of Bertie Twp. following the American Revolution. Peter was the son of Simon Frederick ANGER Jr. and Mary Magdalen WINDECKER, the 13th child in a family of 14 children. Peter's grandfather, Frederick ANGER Sr., born in Germany, had come to America and settled in the Susquehanna Valley. Loyal to the crown, he and son Frederick Jr. fought with Butler's Rangers. For their loyalty, Frederick Sr. and his family were given large grants of land in Bertie Twp. Of the 400 acres given to Frederick Jr., 200 acres were Lots 1 of Concessions 10 and 11 from Niagara River. All of the early ANGERs of Bertie and Humberstone Twps. were descendants of Frederick ANGER Sr. The name also appeared as ANGOR and ANKER. They were mainly farmers and blacksmiths.

Elizabeth was only the first of many BENNERS to marry into the ANGER family. Two of her brothers, Philip Jr. and John Philip, each married a Sarah ANGER, undoubtedly related to Peter. Since he had 8 brothers, most of them older than he, the women could very well have been his nieces.

In the census of 1851 Peter and Elizabeth and children were living in a log house on 33 acres on part of Lot 2, Con. 11 Bertie Twp. Peter was listed as a labourer and a member of the Church of England. On a survey map of 1859, Elizabeth was a widow owning 15 acres of land. In 1874 she signed a quit claim to John N. ANGER for \$15 for 16½ acres in the south west corner of Lot 2, Con. 11. This could imply that the original 33 acres was not owned outright, but subject to ANGER family inheritance. (Registered Apr. 1, 1876 — #2692 Welland Land Registry)

By 1861 Elizabeth and her two daughters, Nancy and Sophia, were living with her parents, Philip and Elizabeth BENNER. Her widowed sister, Catharine CREGAR, had moved home with her children some years earlier. The parental roof sheltered them all in their time of need. By 1871 the parents were dead and Elizabeth and daughter Nancy were living alone with a year-old William. This might have been Philip Henry's first child William, visiting his grandmother.

The last entry we found for Elizabeth was in 1881 when she was living in Humberstone Twp. with her daughter Sophia and husband Henry SCHATZLINE, and family. She was buried in the Beach-Lutheran cemetery beside her son Philip Henry, but there are no dates for her in the cemetery records.
