Attention: All Horton CBI Retirees

In commemoration of Horton's 75th Anniversary, a Committee of Horton employees has been formed to celebrate this anniversary with several events which we think will be enjoyable for Horton employees, retired employees, and their families.

Committees will be formed for a variety of events, some of which are listed below. We feel that the Company strength was generated by the contribution given by many of who are now on the list of retirees. We as a committee would like to have representative on our committee, someone from your group to ensure the success of the many events throughout this anniversary year.

The Committee wishes to make this YOUR celebration and asks that if you wish to volunteer your time and efforts or have any ideas that you feel would be of merit, please contact a committee member as listed below .
