BARBER

1925;;; GODERICH ST. East Side : from Garrison to Queen.

These homes were demolished or removed to make way for the building of the Peace Bridge and it's approaches.

Beginning at the south west corner H.N. Smith owned a strip of land 69.06 wide that ran back to the river in a north easterly direction for 174.42.

1. The first lot, with home belonged to H.N. Smith and was pie shaped because of Goderich st. in front and his other strip of land behind.
