

## David Miller Home

This home, located on Ridge Road (formerly Ontario Road) near Montrose Road (W Crowland Townline) was built by David Miller before his marriage in 1875 to Christie Ann

They were married during the winter at Sauer's Evangelic Church (Willoughby United Church) and moved into their new home by an oxen team and sleigh.

Mrs. Martha Miller Morris is the only living child of the 5 children of David and Christie

Another David Miller lived in an original log cabin across from the location of this house on 100 acres of land, 100 on each side of the road.

The Miller family was very self-maintaining. Although the buildings are no longer standing, they had a tannery, a furniture factory, a sawmill and they made tombstones. A family cemetery still remains back to the 1700's.

This picture was taken in 1927, but since, the house has been remodelled.
