Dear Mr. McDermott:

Please find enclosed a copy of all information we have here at the Cemetery Office. This information was supplied at time of death of each person and I have included the supplier's name in each case.

You will note that the General's birth date was given to us as June 29, 1852. I checked the date reading on the family stone and it shows the birth date as ~~1852~~ 1854. We here have no way of knowing which date is correct as we can only go by our records. Perhaps you can find out more information from Mr. Armstrong who's address and phone number is included.

I hope this will help you and if I can be of any further assistance please drop me a line and I will do my best to get any information you require.

Yours truly

A.M. Eudge
