July 27, 1977

Due to the increased work load experienced since your recall, we are able to extend this until October 14, 1977.

Further extensions to the above date will be reviewed and may be adjusted if the work load permits.

RECALL LIMITS

In the shop recall letters of March 31, 1977, we had indicated recall limits of June 10, 1977 which now may be considered as indefinite. (See attached letter).

In the recall letters of May 30, June 20, June 27 and July 4, the recall limits were August 8 and August 26. These now are extended to October 14, 1977. (See attached letter).

It has been decided to review these and subsequent limits on a four week basis and adjust dates as required.
