Dear Executive,

1984 is Ontario's Bicentennial year and our community would appreciate your group's involvement in the celebrations.

We, the Bicentennial Advisory Committee for the Greater Fort Erie area, are inviting you to support and enthusiastically participate in the planning of special events.

If your group already organizes an annual event, perhaps you may choose to incorporate the Bicentennial Logo which can be made available to you at no charge. Or, please consider the possibility of your group sponsoring and carrying out an event specifically recognizing the two hundred years of development and growth in our area.

The theme is "Celebrating Together" and events may occur from January 1st through December 31st, 1984. Our local committee will be focusing on the first two weeks of July.

If your group is interested, please contact the Advisory Committee in this regard. Future meetings can be arranged where further details can be discussed.

We look forward to working with you in promoting exciting and memorable celebrations.
