**A. G. WOEHL**  
COAL DEALER  
CARTAGE AND TRUCKING

*Fort Erie, Ontario*

ALVIN Woehl had his coal business by the tracks oposite the Grand trunk Hotel on Gilmore Rd. He operated out of a small office that barely held a desk two chairs and a pop belly stove. The weighing scales stood outside.

A long coal shed ran south from the Gilmore behind the race track property and facing the tracks proper. Mr. Woehl had Mr. Coulthurst working for him.
