5. The old Miller family cemetery on the Ives farm, where there are about 20 graves and most of the stones are broken.
6. The Hersey Family Cemetery on the hill on the north side of the Miller Road. My Grandfather, Jacob Miller, gave this road in 1851.

* There were three early families of Millers who settled in Bertie and Willoughby Twps. The Andrew Miller of Miller's Creek, my ancestor b. (1766-1843) graves were moved from under a tree on the property and placed in Andrew Miller Jr. b. (1799-1862) plot at St. John's Anglican Church Cemetery, Ridgemount. Our branch's graves are here including the Laurie and Ryson - Audrey Miller Laurie. Z.M. Miller's grandfather was Jacob Miller.
