YOUR SUPPORT MATTERS

Our three library branches are an important resource that helps to strengthen and build a healthy community.

With free access to books, reading, information, technology, librarians, and many programs, the library offers educational and special programming for all ages.

Most of all, it's a fun, safe place to dream big dreams.

With your donations and participation in our fundraising events, your Fort Erie Public Library System can continue to offer programs and resources beyond those that are publicly funded.

Thank you for your support!
